

This is the key to work place culture #garyvee #shorts

<https://silosolo.com/794903>

Summary

The speaker discusses the impact of being driven by goals and success on business behavior and the importance of attention as an asset. They share a personal experience of calmly handling the news of losing a major client and attribute their ability to avoid chaos to their approach of not letting business dictate their emotional behavior.

Silo sample questions

- Why is attention the number one asset?
- What is the reason behind the speaker's ability to avoid chaos and layoffs?
- What was the initial reaction to the news of losing a major client?
- What is the speaker's approach to dealing with business setbacks?
- What is the speaker's view on success and its impact?

Business Behavior

Key Takeaways

- Attention is the number one asset because being so driven by a number of goals and success can actually stop you from getting what you want.
- The reason the speaker is able to avoid chaos and layoffs is because they are incapable of letting business dictate their emotional behavior.
- The initial reaction to the news of losing a major client was surprising and calm, with the speaker responding with a nonchalant 'OK, let's deal with it later.'
- The speaker's approach to dealing with business setbacks is to focus on absorbing the impact rather than letting it dictate their emotional behavior.
- The speaker believes that being driven by a number of goals and success can actually stop you from getting what you want.
